

PIGEON VALLEY UIP GOVERNANCE NOTICE

28 September 2022

THE VOTING PROCESS – TRANSPARENCY & ACCOUNTABILITY

The UIP Committee is aware of concerns regarding the governance of the voting process. We are committed to total transparency. Copies of all signed voting forms will be submitted to the Municipality with our application to establish. These votes will be available for inspection prior to submission. Objections, with reasons, can then be sent to the Municipality Head of the Economic Development. We will inform the community when this objection period opens.
